By pressing a “SOS” button a crew reports an accident and requests an immediate assistance. In this case, it is obligatory to inform the Rally HQ by calling the telephone number indicated on the label. Attention! In case of stopping at a Special Stage the device sends a “SOS” signal and the crew within 30 seconds must press “OK” button to remove the “SOS” signal sent by the system. A mobile phone of the crew must be switched on (or turned on in 60 seconds) so that the Race Control Centre could reach the crew.

Wrong “SOS” and/or “OK” signal transmission will be reported to the Stewards who may apply a penalty.
